

# WHEN WE SAY THAT GILBARCO REBRAND KITS MAKE FUEL DISPENSERS LOOK AS GOOD AS NEW, WE MEAN IT.

Gilbarco has made it easy for you to rebrand acquired sites, meet major oil company image requirements, or just get a branding facelift with our Gilbarco Rebrand Kits for Encore® and Advantage® Dispensers.

- Gilbarco Rebrand Kits make dispensers look like new and create visual curb appeal that encourages customers to stop, as well as drive a noticeable bump in fuel sales.\*
- All of our door graphics are constructed of thick polycarbonate with a high-performance protective laminate for superior UV, chemical and abrasion resistance.
- Our dedicated internal graphic design team has the ability and expertise to produce graphics that meet all major oil company branding standards as well as producing custom imaging for independent company sites.
- Our manufacturing capacity can easily produce orders for large-scale, multi-site projects.

Trust the team that built the dispenser and you can be assured it will look as good as it did the day it came out of the factory.

\* GILBARCO STUDIES INDICATE THAT FORECOURT REBRANDING PROVIDES UP TO 15% LIFT IN FUEL VOLUME FOR THE FIRST SIX MONTHS AFTER INSTALLATION.

# GILBARCO REBRAND KITS

Whether it's re-branding acquired sites, ensuring oil company branding compliance or simply refreshing current dispenser graphics, the Gilbarco team is ready, willing and more than able to provide durable and fade-resistant Rebrand Kits for Gilbarco Dispensers.
